filing a request for continued examination (RCE) under §1.114, and therefore, no Statement under 37 C.F.R. § 1.97(e) or fee under 37 C.F.R. § 1.17(p) is required.

In compliance with the concise explanation requirement under 37 C.F.R. § 1.98(a)(3) for foreign language documents, Applicants enclose herewith a copy of the International Search Report for the corresponding application No. PCT/JP2004/012914 citing such documents, indicating the degree of relevance found by the foreign patent office. In addition, Applicants enclose English language abstracts as a concise statement of relevance for documents (1), (4) (5) and (6). Further, JP-2002-511369 (document (2)) corresponds to English language document WO 99/52790 (document (3)). Further, document (4) is discussed on page 2 of the present specification.

The disclosure at page 2 of the present specification and the submission of English language abstracts for documents (7), (8), (9) and (10) each constitutes a concise statement of relevance.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicants do not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.
